

Help us build a quarantine alphabet, which we'll use to create a community quilt.

Please use this square to tell us what has meant so much to you these past 12 months. Write a single word or use the space to elaborate on why you chose it. (Images work great, too.) Fill out as many squares as you'd like, and also consider completing a one-page alphabet. There's a form on the website for you to print out and fill out by yourself or with your family.

Thanks for your contribution to our project.
