

Accessing Films and Great Courses Through Kanopy

Kanopy is a streaming service whose selection offers something for everyone: indie films, documentaries, foreign films, popular cinema, children's shows, and the Great Courses Series.

Note that you have 7 play credits each month, and each film you watch is worth one credit. Your play credits reset on the first day of each month, and unused play credits don't roll over to the next month. NOTE: Play credits get deducted after 5 seconds of play for any movie you pick.

Movies: Once you've selected a movie to play, you have 72 hours to finish it (or watch it again). Once the 72 hour period is up, if you choose to watch it again, it will incur another play credit.

Great Courses: Once selected, you will have 30 days to complete a Course.

Kids' and Family Features: You have unlimited access to the Kids/Family videos, courses, and programming.
