Helpful resources to plan your quest

Trail Finder | Find it at [trailfinder.info](https://www.trailfinder.info)

An easy-to-use trail finding database for NH and VT! Search by town, difficulty, and other categories. All trails are posted with permission from the landowner for public use.

Upper Valley Land Trust | Find it at [uvlt.org](https://www.uvlt.org)

The UVLT stewards land for public access and conservation. Use their map feature or their Vermont-specific trail lists (underneath the map) to find a great hike nearby!

*(*Note that UVLT trails are NOT listed on Trail Finder, above).*

UV Trails Alliance | Find it at [uvtrails.org](https://www.uvtrails.org)

Your friendly local trails alliance focused on education, outreach, and stewardship. Check them out for trail tips, outdoor programs, and curated hike lists - for Big Tree Quest, we like the [Rollin' & Strollin'](#) (for families looking for flat trails), [Chasing Waterfalls](#) (big trees often grow near water sources!), and [Fall Foliage](#) lists!
